

North Patagonia near Hornopiren with exceptional weather during the fishing season. In the morning we can have temperatures between 10° and 15°C the highest temperatures between 13:00 and 16:00hrs can easily reach 20°C. Making this place a privileged sector for salmon fishing at pleasant temperatures between February and April. Some occasional rainfall typical of Chilean Patagonia can refresh a fishing day.

As anglers and Chileans we know this rivers perfectly, from its source in the Andes to its mouth in the fjord. 2020 will be the fourth season for Persica with guests in this magnificent rivers, we know the dates and changes that have occurred in the rivers.

We have organized the best week for the different rivers, we know the changes that each year are presenting the salmon runs. Persica is all you need!

OUR LOCATION IN THE RIVER

Located 4 km upstream from the mouth of the river. Persica Camp it's installed 30 meters from the shore, in a high and safe meadow Our camp is in the middle of Austral River Lodge (Salmon Junkies) and Austral Kings Camp

THE 02 DAYS OF HELI-FISHING WILL BE EXECUTED IN THE FOLLOWING WAY:

the total amount or with a deadline of 30 days before the contracted week.-

First Day: After breakfast we start the flight to the upper part of the river, we can land on the river bank in the eventuality of observing salmon from the air. If the river conditions do not allow a clear observation, we will go directly to our first fishing spot. After the first stop wading fishing for 1 or 2 hours, after this we will fly again. In our second stop we will do wading fishing for the same period of time, after this we will return to the helicopter to fly back to the cabin. After lunch we will fly again to the upper part of the river to 2 different fishing spots, the flight mechanics is the same as in the morning. **If we see salmon from the air, we go down, fish and fly again**. If we can not see salmon from the air we will use our fishing spots. **Second Day:** Corresponds to the same mechanics of the first day, but we will always use different fishing spots or even visiting nearby rivers.
If the client wants to include more days of heli-fishing, these should always be consecutive. The payment of extra days of service may be added to

TERMS AND CONDITIONS - HELICOPTER SERVICE
